

Maple Sugar Days 2021

February 20, 27 & March 6

9:30am to 1pm (1 hour timeslots)

Discover the wonder of this local Ohio natural food. Join our experienced Sugar Makers for a hands-on experience in the sugar bush. Dress for the weather and follow the sugar shack trail to meet our volunteers who will lead you through the entire maple sugaring process. Learn how to tap a tree, help collect sap, and learn about the evaporation process. After the maple sugar experience stop in the animal barn to say hello the animals. Don't forget to check for a new baby lamb as our Ewes (mother sheep) will be due.

*COVID guidelines will be followed and participants are asked to wear masks

Due to Covid-19 guidelines we ask you to reserve a one hour time slot. During your reserved time you are welcome to bring up to 10 guests or less.
