

Educational Farm & Nature Preserve

Gear List for 9-12 year old Farm Camp

What to wear to camp:

- Dress for dirt! Stratford is a *working* farm. Your child should expect to get dirty daily!
- Poison ivy is abundant! Long pants are recommended but not required. Use your own discretion based on your child's sensitivity.
- Comfortable shoes or boots. Sandals are not a good idea as we'll be playing some running games and hiking daily. Poison ivy loves uncovered toes. Please encourage your child to wear shoes that they don't mind getting muddy or wet.

What to bring to camp:

- A backpack for your gear
- A face covering
- On Thursday, please bring a white fabric item to tie dye
- Water bottle
- Trash free lunch (you can view instructions at <http://stratfordeco.wpengine.com/wp-content/uploads/2016/01/No-Garbage-Lunch-e.pdf>)
- Sunscreen
- Mosquito repellent
- Sun hat
- A jacket for cool mornings
- A rain jacket or poncho if rain is forecasted
- A journal if you already have one

What **not** to bring to camp:

- Ø Toys
- Ø Electronic games
- Ø Gum or candy
- Ø Pocket knives
- Ø Cell phones
