

Educational Farm & Nature Preserve

## Gear List for 6-8 year old Farm Camp

### What to wear to camp:

- Dress for dirt! Stratford is a *working* farm. Your child should expect to get dirty and/or wet daily!
- Poison ivy is abundant! Long pants are recommended but not required. Use your own discretion based on your child's sensitivity and the forecasted weather.
- Comfortable shoes or boots. Sandals are not a good idea as we'll be playing some running games and hiking daily. Poison ivy loves uncovered toes. Please encourage your child to wear shoes that they don't mind getting muddy or wet.

### What to bring to camp (please label everything with your child's name):

- A backpack for your gear
- Bring a white fabric item for tie dye day (Exact day for tie dye TBD - we'll remind you the day before at pick up)
- Swimsuit, towel, and closed toe sandals for water day (Exact day for water play TBD - we'll remind you the day before at pick up)
- Water bottle
- Trash free lunch (you can view instructions at <http://stratfordecologicalcenter.org/farm-camp>)
- Sunscreen
- Mosquito repellent
- Sun hat
- A jacket for cool mornings
- A rain jacket or poncho if rain is forecasted
- A journal if you already have one
- Extra change of clothes (don't forget socks!)
- Bag for wet/dirty items
- First day only: Health form(s), medication card(s), alternative pick up form(s) found at: <http://stratfordecologicalcenter.org/farm-camp>

### What not to bring to camp:

- ∅ Toys or games
- ∅ Gum or candy
- ∅ Pocket knives
- ∅ Cell phones
