

Educational Farm & Nature Preserve

Gear List for 9 - 12 year old Farm Camp

What to wear to camp:

- Dress for dirt! Stratford is a *working* farm. You should expect to get dirty daily!
- Poison ivy is abundant! Long pants are recommended but not required. Use your own discretion based on your child's sensitivity.
- Comfortable shoes or boots. Sandals are not a good idea as we'll be playing some running games and hiking daily. Poison ivy loves uncovered toes. Please wear shoes that you don't mind getting muddy or wet.
